

Emma Churchill, Director General – UK Border & Protocol Delivery Group

is pleased to invite you to a webinar on

“Exporting goods from GB to the EU via the Short Straits”

Thursday 14th January 2021

from 10:00 to 11:30 (UK time)

Border and Protocol Delivery Group (BPDG) invite you to join this webinar which will raise awareness of the border / procedural formalities required for exporting goods from GB to the EU via the Short Straits.

This event is for:

1. UK exporters / their representatives
2. EU importers / their representatives
3. UK & EU transporters and logistics companies

Key objectives:

1. Focus is on moving products of animal origin and products subject to sanitary phytosanitary control.
2. It will include GB **and** EU requirements on fulfilling responsibilities for certification, IT systems, customs and transit processes and the border procedures across the supply chain at GB and French ports / terminals and will outline the consequences / costs of failing to comply with the formalities to import goods into the EU.
3. The webinar will also include case studies for exporting goods.
